The accompanying certificates are from gentlement of respectability residing in Washington city, and not from those abroad, to whom I would refer all those who are in the least doubtful. Hundreds of testimonials can be produced as to efficacy, but as they are seldom or ever read, or credence given to them, I have thought a few respectable certificates, coming from gentlemen well known would suffice.

Dear Sir: I hereby schnowledge a debt of gratifued due you, in saying that I attribute my present state of good health entirely to the use of your invaluable preparation of Sarzaparila. Having been affilied with an Inflammatory Rheumatic Affection of the knee-joint, which swelled to such a degree as to confine me to bed for many weeks, depriving me of the entire use of my limb, and having been attended by the most eminent physicians, without the least prespect of recovering, I made use of your Extract of Sarzaparilla to the amount of 5 bottles, after which I began to use my limb, and upon its further use had the satisfaction to find the disease radicated and my general health very much improved. Two years have now elapsed and my health still continues good. You are all liberty to make use of this as you may think proper.
